 - ❖ the entire family must make the change and take with them the household goods and furniture appropriate to the circumstances; and
 - ❖ the change must be made with the intent that it is permanent. School Board Policy JEC.

This Shared Housing Disclosure Form is valid as long as a student remains in a given school.
BUT Proof of Residency must be provided and approved each year.

Shared Housing Disclosure Form Procedures

Shared Housing Disclosure Forms are valid as long as a student remains in a given school. When a student changes schools, new information should be requested providing new proof of residency. Parents should immediately notify the school of any changes in residency status whenever such change occurs.

Interview the parent/s

- Can they show proof of residency, lease or mortgage?
- Are they residing with another family?
- Do they need additional services?

Notary Procedures

- Any authorized notary may be used to notarize the form, not just school notaries. However, parents/guardians should be advised that using an outside notary may lead to delays if they complete the form incorrectly or provide the wrong documents. Using school notaries should be encouraged whenever possible.
- The parent/legal guardian/eligible student may sign the form at a different time than the homeowner/renter.
- Note the two separate notary sections are BOTH to be filled out.
- Copies are not required of the documents that were provided.

Proof of Residency Documents

- If a school notary is asked to notarize the form, the notary needs to review all proof of residency documents from Section IV and check them off BEFORE notarizing the form.
- If an outside notary has been used to notarize the form, the school registration staff receiving the completed form must review all proof of residency documents and check off all that have been provided. For any missing or improperly provided documents, staff must make a reasonable attempt to contact the parent/legal guardian and request the missing documents.
- In the event that a parent/legal guardian informs school staff that they cannot provide some or all of the proofs of residency, school staff should contact ESOL, Homeless, or Operations & Planning. Depending on the circumstances, a partial waiver may be granted.

Custody/Residency Questions

- If the adult completing the form is NOT a parent or legal guardian of the student(s), contact Operations & Planning for guidance.

Completed Shared Housing Form

- Make the parent/legal guardian a copy of the Shared Housing Form.
- The same Shared Housing Form may be used for enrollment at other schools. Fax a copy of the Shared Housing Form to other Albemarle County Schools in which students in the family will be enrolling.
- Mark in the Powerschool field that a Shared Housing Form was used.
- The original Shared Housing Form will be filed at the school where the initial notarization took place or, if the form was notarized elsewhere, the school of the first student listed on the form in Section I.
- **The Shared Housing Disclosure Form is then faxed to
972-4077, Sharon Root, Homeless Liaison.**
