

Request for Teacher Assistant Position

Student: _____

Teacher: _____

I am requesting to become a TA for the _____ - _____ school year. **I understand that teachers may only accept one TA per year, and it will be the teacher's decision as to who they choose for their TA.**

I understand that I may remain a teaching assistant as long as I am maintaining my grades, and attending regularly. Students who show poor attendance will be removed from the TA position and will be assigned a study hall.

Student: _____ Date: _____

Teachers: Please indicate below when you would like your TA to be assigned to you.

_____ During a class period (Class _____)

_____ During one of my planning periods

I am willing to accept this student as my TA. **I understand that I am allowed to be assigned one TA per year.** By signing more than one student request, I agree that I will rank order my students prior to scheduling. The scheduling team will attempt to schedule students ranked number one first. If having the TA Period works for that student's schedule, no other students will be scheduled with me as a TA for the following year.
