

Emergency Dismissal "Blue Form"

Student Name: _____ Grade: _____

Homeroom Teacher: _____

As many of you are aware, bad weather conditions such as heat, snow, ice, or flooding as well as electrical or mechanical failure of equipment, sometimes cause us to close school early.

You need to have a plan in place with your child as to specific procedures he/she is to follow if we have an early dismissal. It is most important that school personnel know what your child should do in emergency situations in the event they may have forgotten, so we can keep them from worrying unnecessarily.

We are asking that you fill out the form below and return it to the school as soon as possible.

WE NEED A RESPONSE FROM EVERY PARENT/GUARDIAN.

Due to the heavy volume of incoming calls and/or power outages we may not be able to reach you by telephone during an early closing situation.

If you should have any questions, please call the office, 434-973-8301.

REMINDER: When school closes early, EDEP and ACAC aftercare will be cancelled for the day.**
